

Fleet Support Conference

Maintenance Training

**Tom Whelan
Code R51**

05-07OCT04

LCAC Maintenance Training

- ACU-5 Top 10 Issue
- Prop & Lift / Craft Control Training not enough
- Constant Turnover = Need for Refresher Training
- Develop Job Qualification Rqmts (JQRs)
- Improve Readiness / Reduce Operating Cost
- Prioritize by craft system / maintenance cost areas
- Address during LCAC ISEA Fleet Support Team visits
- Aging craft systems require better care
- Enhance Troubleshooting capability / reduce cascading problems

LCAC Phased Maintenance Plan

- Points of Contact
 - Tom Whelan, NSWC-PC Code R51, (850) 235-5042, thomas.whelan@navy.mil
 - Bob Adkins, NSWC-PC Code R51, (850) 234-4409, robert.a.adkins1@navy.mil
